

School Disaster Management Plan

Example School Disaster Management Plan

1. Risk Assessment:

- Earthquake: High risk due to seismic zone.
- Flood: Moderate risk during monsoon.

2. Preparedness Measures:

- Emergency kits stored in classrooms.
- Fire extinguishers checked quarterly.
- SMS alert system for parents.

3. Response Protocol:

- Teachers guide students to evacuation areas.
- Attendance taken at assembly point.
- Injured students given first aid.

4. Recovery:

- Trauma counseling for affected students.
- Coordination with local authorities for relief.
